

UNCLASSIFIED PERSONNEL LIST UNIVERSITY OF OREGON

Employees with Pay July 1, 2024 through June 30, 2025

Information used in this report was downloaded on August 28, 2025, to reflect individuals paid in the 2024-25 fiscal year. Pay adjustments that occurred after that date are not included.

UNCLASSIFIED PERSONNEL are employees who are Officers of Instruction (faculty members responsible for the instructional programs), Officers of Research (faculty members whose principal activity is research), Officers of Administration (employees whose primary assignments are administrative tasks related to the operation of the university), or Librarians.

REPORT DEFINITIONS:

JOB TYPE: The type of job the employee holds. A primary job is the employee's main job; a secondary job is an additional job; and an overload job reflects additional duties or stipends.

JOB STATUS: The status of the job; active, on leave, or terminated. An active or on leave job may or may not be receiving pay; the job may be waiting to be terminated by the department. Terminated positions may not be permanently terminated, but this was the status as of June 30th. Positions that rely on external funding are often terminated annually or semi-annually and then are re-appointed for an additional period of time. This is also common with interim and overload (stipends, endowed chairs, etc.) positions.

JOB START DATE: The date the job originally started. Dates before the implementation of the HR Information System in January of 1999 will reflect the date in 1998 that the existing job was established in the new system. This date is not changed when a job is reactivated after a summer leave.

JOB END DATE: The date the job currently ends. This date may be extended if the job is extended.

HOME DEPARTMENT: The department for the employee's primary job.

JOB TITLE: The title of the employee's job. An employee may hold more than one job and thus, may have more than one job title.

PAY DEPARTMENT: The department responsible for time entry for the employee in a particular job.

POSITION CLASS: A five-digit code used to tie the position to a particular classification in a salary table as defined in a collective bargaining agreement.

TOTAL PAY: The total amount that was paid to the employee for each position and home/pay department combination during fiscal year 2024-25.

TERM OF SVC: The duration of the job – 9 represents an academic year job (September 16 through June 15 or August 16 through May 15 for Law); 12 represents a year-round job.

An employee can have more than one job, but may not be receiving pay from all jobs. Only jobs with pay during the fiscal year are included in this report.
