

UNCLASSIFIED PERSONNEL LIST

UNIVERSITY OF OREGON

Employees on Record as of November 1, 2025

Information for this report was downloaded on November 5, 2025, to reflect employees and salaries as of November 1, 2025, and will be used for all mandatory and salary consortia reporting done by the Office of Institutional Research for 2025-26. Salaries in this report will reflect any increases that occurred through November 1, 2025. Title or pay changes that occurred after November 1st or that were not in the HRIS system as of that date will not be reflected in this report.

UNCLASSIFIED PERSONNEL are employees who are Officers of Instruction (faculty members responsible for instructional programs), Officers of Research (faculty members whose principal activity is research), Officers of Administration (employees whose primary assignments are administrative tasks related to the operation of the university), or Librarians.

REPORT DEFINITIONS:

JOB TYPE: The type of job the employee holds. A primary job is the employee's main job; a secondary job is an additional job; and an overload job reflects additional duties or stipends.

JOB STATUS: The status of the job; active, on leave, or terminated. An active or on leave job may or may not be receiving pay; the job may be waiting to be terminated by the department.

JOB START DATE: The date the job originally started for the current incumbent. Dates before the implementation of the HR Information System in January of 1999 will reflect the date in 1998 that the existing job was established in the new system. This date is not changed when a job is reactivated after a summer leave.

JOB END DATE: The date the job currently ends. This date may be extended if the job is extended.

HOME DEPARTMENT: The department for the employee's primary job.

RANK: Rank for teaching faculty is determined by the nature of the position and the qualifications of the individual appointed. Research faculty members are assigned a rank based upon their expected function within a research project, or group of projects, as well as upon their qualifications. Instructional ranks include Professor, Associate Professor, Assistant Professor, Senior Instructor, and Instructor. Research ranks include Senior Research Associate, Research Associate, Senior Research Assistant, Research Assistant, and Postdoctoral Research Associate. Most administrative appointments are made without reference to academic rank (No Rank).

ACADEMIC TITLE: The title on the faculty member's contract for this position. An employee may hold more than one job and thus, have more than one academic title.

PAY DEPARTMENT: The department responsible for time entry for the employee in a particular job.

ANNUAL SALARY RATE: The total salary amount that could be paid to the employee if the employee works full-time for the entire term of service (9 months or 12 months).

APPT PERCENT: The proportion of an annual full-time appointment that the position represents.

APPT STATUS: Describes the nature or duration of the appointment. Tenure Track (appointments in instructional areas that lead to consideration for indefinite tenure); Emeritus (upon retirement, faculty members are nominated for emeritus or emerita status by their dean or department head, and approved by the vice president.); Fixed Term (appointments of fixed duration, usually one year (not tenured or tenure-track)); Indefinite Tenure (appointments in instructional areas with no ending contract date and related to teaching rather than administrative duties).

RANK DATE: The date the faculty member achieved the current rank.

TERM OF SVC: The duration of the appointment – typically, 9 represents an academic year (September 16 through June 15 or August 16 through May 15 for Law); 12 represents a fiscal year (July 1 through June 30).

PRIMARY ACTIVITY: The employee's main activity: Instructional, Research, or Administrative.

EEO CATEGORY: The Equal Employment Opportunity (EEO) skill category defined by the federal government for use by institutions of higher education for federal reporting. The categories are based on the nature of the work being performed.

ADDITIONAL NOTES:

1. An employee can have more than one job, but may not be receiving pay from all jobs. Jobs with Job Status 'A' and some cases of primary jobs with Job Status 'L' receive pay.

2. To determine estimated pay for a position, the annual salary rate must be adjusted by the appointment percent and the number of months to be worked ((Job End Date - Job Start Date)/365.25). If the Job End Date is blank, all months of the term of service (9 or 12, see above) are expected to be worked. The job cannot be on leave without pay.

For additional information regarding this report, please contact the Office of Institutional Research:
